

Cross-Country

The Camden Military Academy Cross-country team had another great season. They followed the tradition of other CMA teams before by beating teams from much larger schools, such as 2-A Chesterfield and 3-A Camden. This year the Spartans held the first cross-country tournament ever run at CMA, "The Run by the Forest." The CMA JV team made a good showing and finished third. All runners this year made important contributions to the team's success. Seniors Kyle Markey and Craig Phillips were named Most Valuable Runner honors.

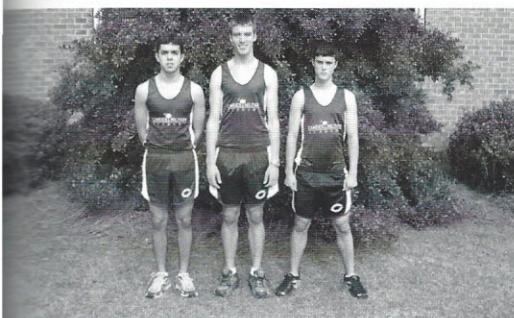

Yeah, Kyle, they can run as well.

The CMA Cross-country Team checks things out before the race.

Hey, Kyle, look up.

Craig Phillips passes the competition.

I am going to pass you now.

Charles Floyd makes his way through the woods.

"This way?" thinks Chris Fenner.

Chris Boone makes his way through the woods in Sumter.

Nate Phillips passes the marker.
