

# JV Basketball

With no returning players, the JV Team started from scratch. Academics and overall conduct were strong factors in selecting team members. The goal was to learn winning team concepts while playing fundamentally sound basketball. Highlights were victories over Military Magnet of Charleston and a series of close, exciting games at home against Charlotte Country Day, Westminster, Great Falls, and Lewisville. Solid front court players were J Campbell, Hughes, and Nsien; in the back court were Brooks, Dawkins, and Sadylo. In key reserve roles were Boone, Hillman, D Jordan, Rick Lumley, McCutcheon, and Rodgers. Throughout the most difficult season in history for a CMA JV team, the players worked hard, remained competitive, and continued to jell as a team.
