

# Middle School Basketball

Players: Elijah Kitts, Bernard Chalmers, Coach Jason Drakeford, John Johnson, David Rodgers, Taylor Clinker, Watts Sigmon, Michael Robinson, Sonny Patel

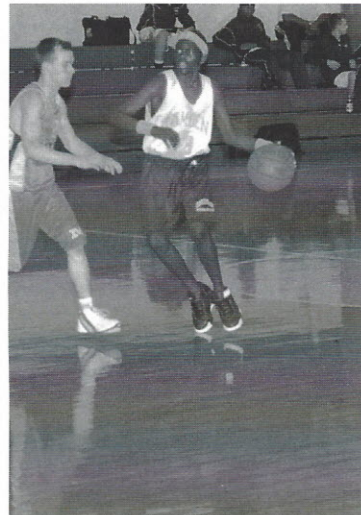

In his second year of coaching, Coach Jason Drakeford is proud of the progress that the young Spartans have made. "At the beginning of the season our goals were to greatly reduce the number of turnovers that the team made last year," the coach stated. "We have accomplished that goal and have also learned to play together as a team." The Spartans are also working hard, having fun on the court, and learning valuable skills that will prepare them for the next level. This season the team's fast-paced offense was led by Sonny Patel, Elijah Kitts, David Rhodes, and Michael Robinson. Strong on defense were Sonny Patel, Taylor Clinker, and Watts Sigmon.

Sonny Patel drives the lane and gets off a shot under the basket.

Taylor Clinker gets up high for a jump shot from the corner.

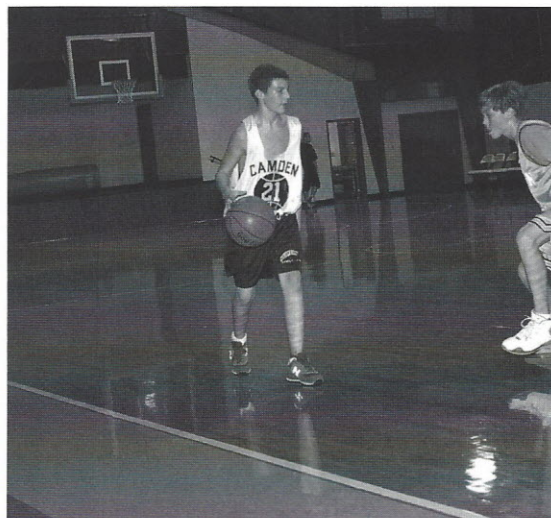

Floyd Jacobs sets up to drive around the defender.

David Rodgers follows through on a jump shot from three point range.

Watts Sigmon puts up a tough shot in the lane.

Elijah Kitts crosses mid court and sets up the offense.
