Spartan wrestlers were hampered somewhat by injuries in the final weeks, but they still had a very successful season. "Our goal this year," said Coach Tom Hewitt, "was to compete with most teams in the state, and I feel that we accomplished that with our 19-17 record." Beating some of the private schools in Charlotte is always a pleasure for the CMA Wrestling team, but even more gratifying this year was seeing some first year wrestlers have winning seasons. Freshman Eddie Aiken won 21 matches. Leading the Spartans this season were Josh Burnette with a record of 28-7; Chris Martin finished with a 25-2 tally. Awards this year went to Josh Burnette, Most Valuable Wrestler; Alex Peplinski, Coach's Choice; and Eddie Aiken, Most Improved Wrestler.
