*Dearest Sterling,*

*Always remember that your deeds create the recipe for your life. May your meal be sterling. May you always find peace, solace, and wisdom in all that you do.*

*God Bless You,  
Your Family”*

**If anyone had told us two years ago that you would mature so much at Camden, we wouldn't have believed it! What a miraculous change you have made and we are so very proud of you and your accomplishments!!! Please remember to always make good decisions. And, remember that your friends and family are cheering for you now, during your college years and for the rest of your life. We love you very much and will always be here for you when you need us!**

**Love,  
Mom, Dad & Kyle**
