The CMA Bowling Team does not actually compete with other teams until the South Carolina Youth Bowling Association Tournament at the end of the season. Even so, they practice religiously every Wednesday night, honing their skills, getting ready for the big event. All Spartan bowlers are new on the team this year except sole returner Julian Conrad. "Although most are new, we have some good bowlers on the team," said Coach Ferjani, "talented enough to do well in state competition." The coach hopes that most of his present team will be back to provide a core of experience for a successful season next year.

Dylan Carlson bangs the boards and gets his ball on track.

Showing good form, Alex Peplinski lines up his shot and lets it ride.

Jacob Baker guides his ball onto the surface, aiming for the strike zone.

The style is wild, but it works well for Julian Conrad, the only returner on the team.

Conrad lines up his shot as the other Spartans wait patiently. Every practice is a tuneup for the state tournament.
