"Our goals this year were to be the best that we could be and to play hard and with character," Coach Johnson observed. The Spartans had some tough outings this season, losing some very close games. They finished the season with a 6-14 record, but they provided lots of excitement for their supporters with wins over Heathwood Hall and very close games with Great Falls and Spring Valley. Leading the Spartans were Morgan Sorey-Johnson with 22.2 points a game and good defensive skills, Brent Dillard with an 11.1 point average, Josh Killen with 13.3 points and 5.2 rebounds, Travis Isaacs with excellent defensive ability and 4.8 rebounds a game, and Isaiah Campbell contributing importantly with rebounds and defense. All Spartan players practiced and played hard this season and made significant contributions. "I'm a little disappointed with our record," said Coach Johnson, "but I'm very proud of our effort."
