

# JV Basketball

Turnovers were the main culprit for the JV Spartans in an up and down season with several close losses. The team showed its true potential with quality wins over the Australian Touring Team, perennial independent school powers Porter Gaud, Heathwood Hall, and Westminster, and 4A Marlboro County. The Westminster and Marlboro County games were "down to the wire" one point thrillers.

Shooting guard Wes Peppers earned MVP honors as an all-around offensive and defensive player. Ryan Hughes and David Rodgers were team captains who earned the Coach's Award for their leadership, smart play, and support of the program. Lane Boone earned the "Hustle" Award for his aggressive rebounding and "floor burn" style. Chris Isaac was Most Improved, going from a reserve role to a starting position at the end of the season.

Other key contributors to the team were Nathan Carson, Jarvis "Rainbow" McCutcheon, and Charles Suk in the back court and Antwoine Brinson, Alex Hillman, Eric Otokawa, and John Sadylo in the front court.

Coach Horn and the players would like to provide a special thank you to the Isaac family for their very generous donation, which made the purchase of new uniforms possible.
