

D Company

A Tradition of Excellence

Delta Company remains one of the first companies in the Corps because of its commitment to maintaining an appropriate balance among its military, academic, and athletic efforts. By learning to be good stewards of their time and talents, each Delta cadet has begun to experience some of those successes that should mark a CMA cadet. According to Company Commander CPT Jonathan Hooper, "Delta company had a rough start at the beginning of the year but since then the company has pulled it together. We had a few changes to the Chain of Command which has helped us out alot."
