Athletic Director Will Rice

"Camden Military Academy's athletic program strives to inspire all our young men to play hard every time they take to the field, and our opponents know that. We have a proud tradition of sports success here at the Academy. Our young men are very much aware of that, and they always want to be winners. Win or lose, we want to teach the lessons of life that sports teach very well: how to work together to achieve a common goal, how to persevere and overcome adversity, and how to deal with losing as well as winning. We want our young men to enjoy playing for Camden Military Academy, and I believe they do."
