

JV Football

Successful football season for the CMA junior varsity team cannot be judged in terms of wins and losses because we started so far behind the other teams we play in terms of experience and practice time. Rather, success is based on the fact that young players toughened and learn the game of football while showing dramatic improvement from game to game as a team. This year's team went from being soundly beaten 40-0 in its first game against Charlotte Christian to being extremely competitive in each following game. The final game of the season was a home-field thriller in which we ran out of time against the Camden High JV. Success can also be judged by the fact that JV players will be moving up and contributing to the Varsity in following years. Led by team captains Lane Boone, Chris Isaac, Delanta Shanks and Daniel Wertz, several players were able to move forward to the next level by playing on the Varsity team. Key contributors on offense were Kendall Barker, Tripp Bethea, Brandon Blueford, Lane Boone, Dylan Carlson, Nexsen Davis, Cody Gasque, Ryan Hughes, Ben Humphries, Chris Isaac, Elijah Kitts, Andre Ramos, Devin Reeves, Delanta Shanks, Watts Sigmon, Chad Smith, Sean Sobanjo and Daniel Wertz. On defense were Kendall Barker, Jonathan Bell, Tripp Bethea, Ian Bland, Lane Boone, Norman Bruce, Dylan Carlson, Cody Gasque, Alan Harvey, Tyler Hindley, Chris Isaac, Cody James, Elijah Kitts, Eric Malaker, Devin Reeves, Delanta Shanks, Andrew Vilme and Daniel Wertz. Coach Horn was impressed with all the players' dedication and effort during the season.

Middle School Football

This year the Middle School Football team had many team goals. "Some of those goals were to instill in the cadets a sense of pride, hard work and respect," said Head Coach Sean McQuin. The team's highlights were learning to play together as a team and working as a whole unit and not just individuals. One of the team's outstanding players was Matt Hupp, "who never came off the field and played with a ton of heart," said Coach McQuin. Coach McQuin was very proud of the team's effort, work ethics and positive attitude. The individuals who received awards on this team were, Matt Hupp for MVP, Justin Roman, Hustle Award, Tanner Linder, Coaches Award and Tommy Donnelly for the Most Improved.
