“Our goal each year always remains the same and that is to have a good season and to play the game with respect and to have character” said Coach Johnson. “The Spartans had some tough games this season. Our near miss win vs. Cheraw and St. James were two games in which we should have won.” Coach Johnson said without any doubt our team leader was Anthony Chalmers. His work ethic along with his attitude were outstanding. Brett Burley and his scoring was a big help to us as well. Coach Johnson is proud of the fact that the guys who remained with the team for the entire season made him proud of them and the academy.. These guys played to the best of their ability. This year’s team overall record was 7-14. Coach Johnson looks forward to the basketball season and for the returning players to improve that mark in 2008. He wishes the best to those players who are seniors and will not be returning next year.

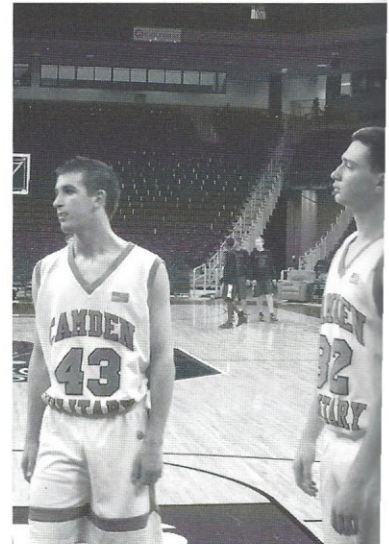

Coach Johnson and Coach Horn welcomes the players to the “big house”.

“Hey I can wear my red sports coat like NC State’s Sidney Lowe.”

“Hey, there are Gamecocks up there.”

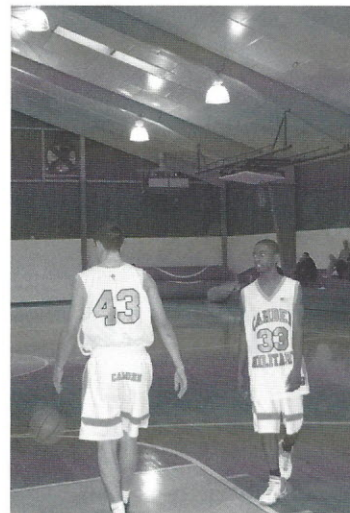

“Hey Matt! Man this is a nice court.”

“Hey, get up! The game is going to start.”

David Rodgers saying a prayer as Quintin Cross looks on.

“We got this game.”

“Yea, I have arrived at USC.”
