

JV Basketball

The JV Basketball team started the season with a record of one win and three losses before Christmas Break. One of the losses, was in over time and another one was by two points. The second part of the season was a different story. The team finished with four straight wins for an overall record of nine wins and five losses. They were undefeated at home with the signature win being over Victory Christian, 52 to 50 on a basket by Lane Boone just seconds to go in the game. This was the first time the team had defeated Victory Christian in four years. The team also beat the SCISA power Pinewood Prep for the first time ever on their home court. A season-long starter at point guard, David Ford led the team in scoring. Steven Carlson and Nick Floyd were versatile players who shared starting time at the other guard spot. At forward were team captains Lane Boone and Chris Isaac, who were both good rebounders, tough defenders and fearless at taking the ball to the basket. Joe Vogt, a versatile inside and outside scorer, played center. He was also an excellent post defender. Key reserves were back-up point guard Devin Reeves, a tenacious defender and steady ball-handler. At guard was Seun Sobanjo who always hustled and made the most of his playing time. Elijah Kitts provided smart steady play at forward. Eric Malker played both forward and center. He plays with great desire and had several key blocks during the season. Chad Smith gave a tall presence at center and improved with each game he played. Finally, a late arrival, Craig Musgrove showed a lot of promise for the future. Coach Horn was pleased with the way this team seemed to enjoy playing together. They played with unselfish passion all season.
