In his second season as head coach of the CMA wrestling team, CPT Jonathan Richard was still building for the future. The team had two goals this season. There were to have a winning season and come together as a team. "Working with the team and seeing everyone come together was exciting to see," said Coach Richard. Next year the team will return its most outstanding wrestler, Tyler Martin. Martin went 27-2 on the year. He went to Nationals and wrestled some tough kids from around the nation. Other team winners were Nick Leftwich, who won the Senior Award; while Caleb Dillard and Tony Thomas won Most Involved. This year's team finished 12-12. Coach Richard looks for better things next season.
