

Camden Military Chapel

The 2007-2008 school year at Camden Military Academy is the first full year that cadets have marched into the newly-built chapel every Sunday morning at 9:00am. Chaplain Ben Skelton and the cadet religious staff have produced many memorable services, with special speakers such as Mrs. Deborah Hartley, Maj. Speedy Johnson, and Col. Tom Austin. The chapel was also used for college day presentations, Sen. John McCain's rally, and other important meetings and activities.
