In his third season as head coach of the CMA wrestling team, Captain Jonathan Richard is still building for the future. The team had two goals this season: (1) to have a winning record and (2) to work together as a team.

"Working with the team and experiencing the team come together was a great accomplishment", says Coach Richard, "We had a very respectable season this year and I am very proud to say that this is one of the best teams I have seen yet. I look forward to seeing most of the team return." This year the CMA team became a very well-rounded and well-developed group one that will lead the way to a winning season next year.
