

The Camden Military Academy Cross-country team had another great season. The Spartans followed the tradition of other CMA teams before them by beating teams from much bigger schools such as Marion High School, South Central, and Indian Land. The major goals for this year were to fully understand the concepts of 1Team, 1Dream, and 1Heartbeat. By the end of the season these goals were fulfilled and every team member had a thorough understanding of them. This year's team awards are: MVP: Collins Gundling; Gazelle Award: Sergey Olson; Hustle Award: Jack Davis and Chad Smith; Most Improved: John Yannessa; Coach's Award: Nash Underwood and Matt Volpe; and "Twig" Award: Amit Parmar
