Follow your own dreams, character and ethics. Be who you are, and say what you feel, because those who mind don't matter and those who matter don't mind. Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you do.

So throw off the boundaries.
Stay away from the safe harbour.
Catch the tradewinds in your sails.
Explore...Dream...Discover
and always call home.

We are proud of you and
Love you very much.

Austin, Bryson, Nana, and Grandma
