

# Cline Library

Melinda Kane

Book Club is a meeting between fellow book enthusiasts. The group has been assembling in the library for three years. The club's main goal is simply to promote reading to anybody interested. Cadets may join Book Club regardless of what grade they are in. Members choose three books to read. Selected books are approved by a committee of cadets. Once Book Club is over for the year, the members get together for a pizza party and celebrate their achievements.
