Left to right: Van Aken (mentor), Forbes, Johnson, Brown, Darby, Gregory, Ross, Mrs. Boland, Lindsey (front) with the team's robot Spartacus. Lower left: Trophy from State Competition.

This was the first year in which cadets participated in a robotics team program. Under the leadership of Mrs. Boland and the mentorship of Cadet Van Aken, the Robotics Team won First Place in Research, First Place in Team Work and The Judge's Award at the regional competition. The next week, the team went to Irmo to compete at the state level and placed 2nd in Core Values.
