

## Nicholas Pinelli

Nick,  
We are so proud you. You are an honor student, an independent thinker with a strong will and a great sense of humor, and a responsible young man with strong Christian beliefs.

We hope your dreams take you... to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known.

Seek God in all you do and remember, "For everyone to whom much is given, of him shall much be required."

Congratulations! We all love you.  
Your Entire Family

Graduation day is a long awaited day for both parents and the graduate. It is a day of dreams come true and the dream of you parents since you were born. It seems like yesterday that you were our little preemie that wore Cabbage Patch doll clothes because all the others were too big. Now you are graduating from Camden Military Academy. The joy, the pride we have for you is wordless. You have matured into a very handsome and talented young man ready to face the real world. Greater things are waiting for you, so I pray that you use your talents well and be the best you can be. Remember this is not the end but it is just the beginning for you. Inspire others you meet on your way out to do the same and open the door of your heart. Never quit dreaming because day after day there will be more things to do and learn. We are proud of everything you have accomplished and the young man you have become. Always remember to put God first in everything you do. Just remember, if God brought you to it, he will see you through it! I pray the Lord will watch over you in your daily walk as your journey in High School comes to an end.

We love you,  
Dad, Mom, Robbie Jr., Austin, Mema, Papa, Aunt Mary, Great Grandmom and Family
