

## J. Burton Davy

Fossil hunts on Morris Island  
 Golf cart'n and I'm styling  
 Key West and Fast Cat rides  
 For Sail runs at really low tides  
 Alaska bound, open roads  
 Motorhome was my abode  
 Sights seen here to there  
 Caribou to big black bear  
 Dorothy McAllister tug -  
 engine we lose  
 Freedom of the Seas - great  
 cruise  
 Piano, golf, nice hair  
 Midnight cat always there.  
 Stay true to your dreams.

We love you - Mom & Dad
