

Playing football at CMA is amazing. You build a brotherhood with your fellow players, such as me and Nathan Lusk, who I have been playing with for five years. We all have each other's backs no matter what. Coach Rice is like a father to me, as well as coach Beckham and Coach Jordan, the Rowdy Uncle. I will never forget playing here.

Players show major skills on the field.

The 2013 Spartan Varsity football team was very young and inexperienced. Many players had never played organized football. The goals of the season were to improve each week and be competitive. Coaches relied on returning starters Nathan Lusk, John Puhl and Jake Harper to be leaders and help the younger players. The highlight of the season was seeing players grow individually. The inexperienced players improved greatly during the season. The team was much better at the end of the season. A lot of underclassmen got valuable experience and a group of core players including: Romani Susewell, Max Bryan, Ian Benton, Yannick den Boer, Ryan Figlow and Treyvon Darby will be great leaders for next year.
