The basic objective of our middle school football team is cadet participation and learning football skills. Our team showed improvement in all three of the games played. The highlight was our improvement on offense and defense during the 2nd half of each game. We scored multiple touchdowns in two of our games.

J'Den Robertson of Columbia, South Carolina led our team as our quarterback. He was one of our two leading rushers on offense and was named our most valuable player. Gabriel Giraldo of Cape Coral, Florida was our most valuable player on offense. Derrick Bailey of East Point, Georgia and Hunter Warnell of Ellabell, Georgia were our most valuable players on defense. Colby Johnson of Newnan, Georgia received our coaches award.

Coach Martin and I enjoyed coaching these young men. They improved every game.
