

# Washington DC Trip

Trips 92

"Every year the academy plans a trip that takes the cadets to the District of Columbia. It has always been important for our cadets to tour many historic sites as possible, as well as for them to have a little fun. Some of the places which they visited were The White House, The Capitol Building, The Lincoln Memorial, Arlington National Cemetery, The Smithsonian, The World War II Memorial, Medieval Times, and an NBA Basketball game which features the Wizards and the Nets. The trip was an unforgettable experience."  
Alexey Kuimov, Moscow, Russia
