

KENNETH PAUL PRINCE

Kenneth "K.P." Prince

You are a blessing from God that we love very much. Always act justly; be sincere in love and walk humbly. It will be your choices that define you, not your abilities. Love, Mom and Dad

TAYLOR JAMES ROACH

Taylor, Always reach for what makes you happy. Never be afraid of a new challenge. Failures sometime lead us to our greatest successes. How do we know unless we try? You have proven yourself in the choices you have made so far.

We are so proud of your accomplishments and know that your future will be bright, it will lead you to be the man you were always meant to be.
Love, Mom and Dad
