

## CHRISTIAN ISRAEL ZURITA

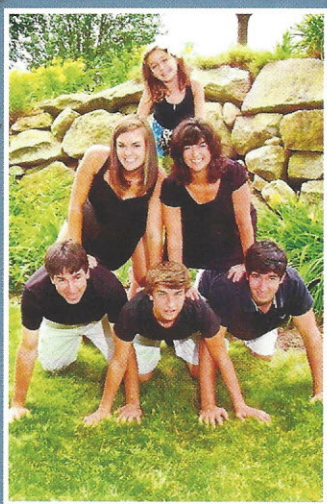

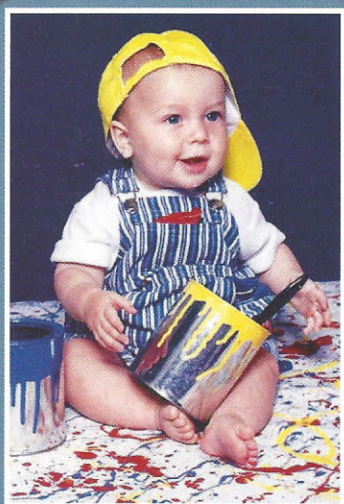

When you started in Camden Military Academy, we thought you weren't capable of making it, but you managed to prove us wrong. You showed us that you are capable of many things and now you can officially say that you are a Camden Military graduate. Your Mom and Dad and your little sisters are proud of you.

## JACOB HARPER

Jake, we are so proud of your achievements. It seems like just yesterday you were our little guy so dependent on us. Then before we knew it, you turned into a grown up, handsome, independent, young man.
