

Special Olympics

April 11, 2014 was a very important day for more than 200 athletes across the Kershaw County school district. These Special Olympic Students gathered at Camden Military Academy for the annual kick off. Following the opening ceremonies, the athletes participated in the walk/run, tennis ball throw, softball throw, standing long jump and soccer kick. The awards ceremony concluded the day's events and the cadets and athletes had lots of fun.

Residents of Kershaw County walk down the field between the rows of cadets, signaling the start of the Special Olympics.

Cadet CPT Bryan Guarino of Santa Monica, California and Cadet 1LT Dustin Cody of Rock Hill, South Carolina keep their companies at the ready before the march on.
