

This year's golf team was pretty successful. We only lost four matches out of the twelve. This year has changed compared to last year. We are able to hit a bucket of balls for free this past season compared to last year when we had to pay five dollars for one bucket. That really helped the team out before matches. As a team we did really well together and before matches helped to motivate each other. Most of the players will be missed next year because they are seniors. Coach Mobley tries to help them all as much as he can since he taught himself how to play the game. He motivates us to play our best and hit long and straight. This year's golf team was good but we are always motivated to do better.

## Spartans exceed expectations

The team goals at the beginning of the season were to have the cadets improve their golf game and learn how to be winners. The highlight of the season was our 3rd winning season in a row. We shot a low score of 168, the lowest score in 5 years. We started the season winning 4 of the first 5 matches. We were challenged by some really good teams and lost a few matches. We finished up the season 9-5. Awards. MVP: Spencer Smart, Ponte Vedra Beach, Florida. Most Improved: Chris Wheeler, St. Cloud, Florida. Coaches Award: Sanders Forrester, High Point, North Carolina.
