Mason Van Loan

David Vargo
Ryan Vespoli
Maxwell Zaslower

"Math just clicks in my head and feels natural to me. It doesn't feel like work, it's fun and expands my mind." Chris Dean of Waxhaw, North Carolina

"Spanish is really important because you need to speak another language to get a job in the future." Andrew Miller of Jamaica, New York

"Math gets my brain going. It's definitely my best subject." Joey Flores of Rancho Cucamonga, California
