

8th Grade

"I like the way the teachers work. It's on a one on one level, so if we don't understand, they can explain it better."
Alex Tate of Columbia, South Carolina

"I like free time. You can hang out with friends in your company, at the Carlisle House, or participate in any sport."
Daniel Conte of Bluffton, South Carolina

"The good structure, like how we have a set time to do our homework, is what I like best about CMA."
Kameron Gentile of Mount Pleasant, South Carolina
