

"The trip to Richmond, Virginia completely changed my perspective on how hard work and determination can change everything. As a result of our time and effort, we were awarded several trophies, five of which I helped to earn from the national competition."
Cameron Carr of Canton, North Carolina

"The Blackjacks are such an amazing group that acts just like a family. It was also very rewarding to become closer as a team and win our first national competition."
Hanlon of Jacksonville, Florida.

"The Blackjack Competition in Richmond, Virginia was the most exciting thing that I have ever done. To be able to compete against schools from around the country, being the new kid on the block, and end up winning was just unbelievable."
Cooper Halabi of Paris, France.

"The Blackjack Drill Team has really helped me in many ways and I now see a great opportunity for college."
Kristopher Strain of Marshville, North Carolina.
