CAMDEN MILITARY ACADEMY

As a military academy, Camden masterfully applies the time-honored traditions of uniforms, military courtesy, discipline and drill to the boarding school experience, inspiring in its cadets a dramatically heightened sense of responsibility, poise, and self-confidence that will serve them most admirably for life.

THE SOCIETY OF THE EXCALIBUR

To recognize genuine leadership among its donors and benefactors, Camden Military Academy has established a prestigious honor club, known as The Society of the Excalibur.
