

Fellowship of Christian Athletes
Junior and Senior High Retreat 2014-2015
Garden City Beach, South Carolina

"The FCA trip really gave me a warm feeling, due to people being there for others for emotional support. This, to me, was a way of showing positive light in a dark situation. The fact that this trip also helped bring others closer to Christ made it one of the best trips in the world. I also felt that it was great for teenagers because of the interactions with others and the dancing, singing and much more." - Austin Martin, Florence, SC
