

# Varsity Football

Our team's goal was to have a winning season, and to accomplish that feat we improved every week. Through improvement, we were a complete football team by the end of the season. Hard work and effort was put into every aspect of the game. We beat every private school we played, meaning our only losses came against public schools. Perhaps our proudest accomplishment came from our victory at the Military Appreciation Bowl, in which we beat the Anderson Cavaliers 27-0. Our season ended with a team record of 6 wins and 3 losses. Coach Will

- Rice**
- MVP** - Ryheem Dawson of Buena Vista, Virginia
