

Varsity Wrestling

Since we are a small private school, having a winning record at the season's end is always a goal to aspire to. This season's win/loss record was 13/11. Another goal was to begin building a middle school team. The middle school had five wrestlers at season's end. They each competed in a tournament. The CMA wrestling team defeated every wrestling team in the South Carolina Independent School Association Athletics (SCISA). The players that were the most outstanding were the team captains, Noah Woody, Alex Newton, and Eric Emery. All three of them were leaders responsible for holding our team together throughout the season.
