

Camden Military Academy has over 200 cadets assigned in the JROTC program in the grades of 9-12. The program itself is designed to help motivate young people to become better citizens. It does this by teaching cadets the value of citizenship, leadership, service to the community, personal responsibility, and a sense of accomplishment, while instilling in them self-esteem, teamwork and self-discipline. Some Cadets take it further by joining the rifle team.

"Rifle team was a fun experience. CSM Wilder was a tough but fair coach who accepted only the best from you. My favorite part by far was getting to practice my marksmanship in the morning or afternoon"

Clark Stanford, Huntersville, NC

RIFLE TEAM

My experience with the rifle team was great. Some of the first friends I have met were on the rifle team. We went to competitions, we tried our best and had a lot of fun. Over all I enjoyed my time, and if I come back I definitely will be on the team.

William Murphy of Savannah, Georgia

This year's rifle team was a lot of fun. The six cadets sticking with it all year made it the best. Although we never won any trophies we still had a great time competing. With CSM Wilder coaching, we had a great year of shooting.

Brandon Vancosky of Carlisle, Pennsylvania
