

Class Of 2018

"What is my most memorable moment at Camden Military Academy? Through CMA, I have found some great opportunities such as Civil Air Patrol. Before I came to CMA, I had never heard of Civil Air Patrol, but when I did, I joined right away. With Civil Air Patrol, I have met some good friends and have gone on camping trips that I will never forget. I even had the opportunity to fly a plane! Civil Air Patrol is the best thing I have gotten out of Camden Military Academy."

"My most memorable moment at CMA is when I went on the Thanksgiving break cruise with COL Boland. He made me feel loved and appreciated, knowing I came from another country. I also enjoyed the very nice food on the cruise and cannot wait till next year's cruise."
