

# Class Of 2019 personal moments

"By far, my most memorable moment this year was homecoming. My day started with Saturday classes, but I didn't mind because I had a great day planned ahead. After lunch I had to rush to the armory to get my rifle to perform with the Blackjack drill team before the parade. After we finished our amazing performance, I had to run to the barracks and get dressed to hype up the football team as a member of the Blue Crew. Finally after our game, I went out with my family to go eat and return to school to get ready for the next day."

"My most memorable moment is when we had the Spartan Challenge. The Spartan Challenge is an event where each company competes against each other in a bunch of events. Which ever company wins first place in an event, gets a plaque to hang in the company barracks, I just enjoyed watching everyone work together. That's my most memorable moment at CMA."
