

# Class of 2020

"My most memorable moment at CMA was when we did the tug-of-war at our last Cadet Challenge. During this tug-of-war we played our first match against Bravo. Delta destroyed them! We destroyed Charlie soon after too. After, we played Alpha; this was the last match and it was well fought. We had a minute-long stalemate and Alpha eventually gave in. I mean, can you blame them? The back of our company t-shirts say 'Delta never quits' so what did they expect?"

"My most memorable moment at CMA would have to be the Spartan Challenge. Everybody in the battalion awoke eager to accomplish the tasks that lay ahead. With music blaring, we were motivated to win. Everyone, as a company, worked together and encouraged each other. At the end of Spartan Challenge, we all knew what teamwork truly meant as well as the true meaning of brotherhood."
