

personal moments

"My most memorable moment at CMA is going on the Gamecocks basketball trip with LTC Heflin. It was my first time seeing a USC game. As a Gamecock fan, I was thrilled when they won against UGA. After the game, we went to JP's Four Corners Steakhouse, where I ate the greatest jalapeno burger I have ever tasted. The trip was fantastic and I will remember it for a long time!"

"My most memorable time at CMA was my first week here. Living on campus in Camden was totally different than my home and it took some adjusting. I wasn't used to simply keeping my mouth closed and saying "YES, SIR!" At first I hated being told what to do, but I quickly learned it was better to follow orders than to ignore them. It wasn't necessarily my favorite time ever, but it definitely was the most memorable."
