

one

moment in time

"James Oribhabor played offense and defensive lineman. Davis Long also had a great year on both sides of the ball. He moved up to varsity after the JV season concluded and quickly moved into a starting role. None of the successes we enjoyed this year would have been possible without our team captain Stefon Aaron. Stefon was our starting quarterback again this season; he threw several touchdowns, ran for a few and led our team each and every game."
 Coach David Thomley

awards

Coach David Thomley talks about the highlights of the successful season

"Our team goals at the beginning of the season were to practice hard every day, play with sportsmanship, play as a unit, and take pride in everything we do as a team. We wanted to represent our school at home and away as respectable young men. I was very proud at the end of every game of the level of competitiveness that our team performed. I am even more proud of their sportsmanship. Several coaches complimented our players, not just on their athletic skills but the manner in which they played. These compliments came from coaches and players that our team just defeated, and that speaks volume. The highlight of the season was winning all the games but one and that the team came together to honor one of their former teammates that died suddenly. The team dedicated each game and the season to Johnny Slick. Johnny was remembered before each game and his jersey was carried with us everywhere we went. Another highlight was in the first game of the season when the Spartan Defense stopped our opponents inside the 10 yard line to secure the first win on the season... that moment sent us on our way to a very successful season. "
