Coach's Words

"Camden Military Academy is a small, private school competing against public schools as well as other private schools. Our primary goal has always been the same: have a winning record at the season's end. For the 16/17 season, win/loss record was 14 wins/7 losses. The highlights of our season were defeating the following public high schools: Buford, Lancaster, Andrew Jackson, and Kennan. The four most outstanding players of the season were Barrett Sullivan, Nicholas Coates, Shane O'Connor, and Andrei Isaak-Sap."
