

BLACKJACKS PARIS TRIP

In September 2016, Blackjack Drill Team members John Branch Jr., Kevin Phillips, Brandon Vancosky, and Jacob Edwards embarked for a two-week experience in France assisting with The History Channel's "The Pershing Project" celebrating the 100-year anniversary of WWI. For Cadet Branch, it was a "once-in-a-lifetime experience" helping out with the behind-the-scenes work of filming. Cadet Vancosky was overwhelmed and inspired by the sheer number of monuments commemorating the American presence during the war. Cadet Phillips's most memorable experience was taking part in the French mealtime tradition of enjoying good food and fellowship in extended social affairs.

RIFLE TEAM

"Rifle team was great, especially because of SGM Wilder. He was a great coach and our team worked really hard. We had to wake up at 5:40 AM every morning to practice. I was a top shooter with Dashzeveg."
