

Veteran's Day

"Veterans Day has always been special to me. When we walk up and stand and watch all the Veterans, we listen to them speak and hear their stories. I feel so proud to be able to hear their stories and see who they are. We stand for a while but we see veterans from different wars and conflicts. We recognize them for the sacrifices they have made for our country. While we are there we also recognize those who died fighting for our freedom. We lay wreaths on their graves for them."

"My experiences with the Veterans Day Parades over the past years has been amazing because I have been able to honor the heroes of our nation. Showing our pride in the nation and in the veterans is a great feeling. Without these great people, our lives would not be the way they are and the way they will always be. These veterans are the strongest people I know. They are willing to give up their lives for fellow Americans while having to leave their families and friends. All of the veterans across the country deserve the utmost respect and honor from every fellow American. This is why my experiences at the Veterans Day Parades have been great."
