

# alumni moments to never forget

At CMA's Homecoming, alumni, parents, and friends assemble for the day's events, starting with a parade in which the Corps of Cadets displays its mastery of the same drill maneuvers performed at Valley Forge, Pennsylvania by Baron Von Steuben over two hundred years ago. Parents get to watch their sons in uniform march from the parade field to the football field in time for the game. The sound of the band playing the fight song rings through the air as the football team bursts through a paper banner and sprints downfield between two lines of the Corps clad immaculately in parade uniform. Throughout the day, alumni share stories of their former days at CMA and parents tour the campus and meet faculty. After the game, all are invited to a feast of hamburgers and hotdogs grilled outside.

The Cannon Detail raises the national flag by the chapel.
