## never dull moment

"The Pecan Festival was full of great surprises. I could say my favorite part was walking the belles and the experience of getting to know new people."

Alex McGlone  
(Mililani, Hawaii)

"I had a lot of fun at the Pecan Festival this year! I was able to visit the town of Whitesville, meet many new people, and try the famous pecans. I had the privilege to escort the Pecan Harvest Festival Queen, Rachel McPherson, and tour many nice homes."

Jack Furlow  
(Charlotte, North Carolina)
