

senior ring ceremony

On November 18, 2016, the Senior Ring Ceremony marked another achievement for the Camden Military Academy Class of 2017. Right before the start of Thanksgiving Break, the seniors dressed in parade uniform and headed to the chapel for the ceremony. Seniors were presented their class rings, continuing decades of Camden tradition. At this ceremony, the CMA on their ring was faced inwards, where the ring would later be flipped at graduation to show the world.
