

## Monster Jam

"Monster Jam was one of the best experiences I've had here at Camden. I appreciate that I was given the opportunity to get off campus and hang out with my friends. There were multiple events, including racing, doughnut competition, wheelie competition, and freestyle. I believe everyone had a great time and I would encourage everyone to go. I loved every second of the show and I would like to thank Chaplain Hunter for allowing me to go and experience the show."

## USC Gamecocks

"On February 4th, over the weekend, LTC Heflin took about 30 people to the USC basketball game. As a big group, we got the freedom to roam around and get food in the stadium, which was a nice break from school. We got to wear civilians which is always a privilege. The basketball game overall was great. We went to a really good restaurant afterwards." James Oribhabor (Lilburn, Georgia)
