

## Historic Reenactment

"On November 5th & 6th, 2016, the Camden Military Academy Fife and Drum Corps performed for 3,000 people at Historic Camden's annual Revolutionary War Field Days. The cadets, along with CW2 Robert Slade, joined forces with three other musicians to march the reenactors to and from the battlefield, playing Yankee Doodle and Chester. During the reenactment, the drums played a cadence to facilitate field movements. Not only did the cadets perform for large crowds, they also immersed themselves in living history for two full days, wearing period clothing, participating in two battlefield reenactments, and interacting with many history buffs."

# Fife & Drum Corps

## historic music

The Fife & Drum Corps was first introduced to Camden Military Academy for the first time in the 2016-2017 school year. They teamed up with the Guilford Courthouse Fife and Drums three times, performing at Historic Camden Revolutionary War Days, Kings Mountain National Battlefield, and Cowpens National Battlefield. Other performances were at Lyttleton Street United Methodist Church and Doby's Mill Elementary School. The group was filmed by SC Educational Television for an educational film for SC middle school students. A major highlight was when the Corps appeared live via broadcast on WIS TV Channel 10.
